RE: AEO Football Club

To whom it may concern,

I would like to open up an account within the Plum Activity Fund for an AEO Football Club. The purpose of this club would be to purchase food for away games, night games and a year-end party for the boys. This would make the accounting and clerical work a lot smoother for parents and coaches involved. Please contact me at extension 3187, or through email @ silvis@pbsd.k12.pa.us if you need any other information or have any other questions.

Thanks,

Ryan Silvis
