## ACCEPTANCE OF LEASE PAYMENT OBLIGATION

Re: Master Lease Schedule of Equipment No. **PUB16541** to that certain Master Lease Purchase Agreement dated as of **June 26, 2015** between Apple Inc., as Lessor, and **PLUM BOROUGH SCHOOL DISTRICT**, as Lessee.

In accordance with the Master Lease Purchase Agreement (the "Agreement"), the undersigned hereby acknowledges and represents that:

All or a portion of the Equipment (as such term is defined in the Agreement) listed in the above-referenced Master Lease Schedule of Equipment No. **PUB16541** (the "Schedule") has not been delivered, installed, or available for use and has not been placed in service as of the date hereof;

Lessee acknowledges that Lessor has agreed to set aside funds in an amount sufficient to provide financing (to the extent requested by Lessee and agreed to by Lessor) for the Equipment listed in the Schedule (the "Financed Amount");

The Financed Amount is set forth as the "Principal Component" of Lease Payments in the Lease Payment Schedule attached to the Schedule as Exhibit A ("Exhibit A"); and

Lessee agrees to execute a Payment Request Form, attached to the Agreement as Exhibit B, authorizing payment of the Financed Amount, or a portion thereof, for each disbursement of funds.

NOTWITHSTANDING that all or a portion of the Equipment has not been delivered to, or accepted by, Lessee on the date hereof, Lessee warrants that:

(a) Lessee's obligation to commence Lease Payments as set forth in Exhibit A is absolute and unconditional as of the Commencement Date of the Schedule and on each date set forth in Exhibit A thereafter, subject to the terms and conditions of the Agreement;

(b) Immediately upon delivery and acceptance of all the Equipment, Lessee will notify Lessor of Lessee's final acceptance of the Equipment by delivering to Lessor a "Final Acceptance Certificate" in the form set forth as Exhibit B to the Agreement;

(c) In the event that any surplus amount remains from the funds set aside or an event of nonappropriation under the Agreement occurs, any amount then remaining shall be applied or distributed in accordance with Lessor's standard servicing procedures, which includes, but is not limited to, application of the remaining amount to the next Lease Payment and other amounts due; and

(d) Regardless of whether Lessee delivers a Final Acceptance Certificate, Lessee shall be obligated to pay all Lease Payments (including principal and interest) as they become due as set forth in Exhibit A.

#### Definitions

**Tax-exempt obligation.** This is any obligation, including a bond, installment purchase agreement, or financial lease, on which the interest is excluded from income under section 103.

#### Tax-exempt governmental obligation.

A tax-exempt obligation that is not a private activity bond (see next) is a tax-exempt governmental obligation. This includes a bond issued by a qualified volunteer fire department under section 150(e).

**Private activity bond.** This includes an obligation issued as part of an issue in which:

- More than 10% of the proceeds are to be used for any private activity business use, **and**
- More than 10% of the payment of principal or interest of the issue is **either (a)** secured by an interest in property to be used for a private business use (or payments for such property) **or (b)** to be derived from payments for property (or borrowed money) used for a private business use.

It also includes a bond, the proceeds of which **(a)** are to be used directly or indirectly to make or finance loans (other than loans described in section 141(c)(2)) to persons other than governmental units and **(b)** exceeds the lesser of 5% of the proceeds **or** \$5 million.

**Issue price.** The issue price of obligations is generally determined under Regulations section 1.148-1(b). Thus,

when issued for cash, the issue price is the first price at which a substantial amount of the obligations are sold to the public. To determine the issue price of an obligation issued for property, see sections 1273 and 1274 and the related regulations.

**Issue.** Generally, obligations are treated as part of the same issue if they are issued by the same issuer, on the same date, and in a single transaction, or a series of related transactions. However, obligations issued during the same calendar year (a) under a loan agreement under which amounts are to be advanced periodically (a “draw-down loan”) or (b) with a term not exceeding 270 days, may be treated as part of the same issue if the obligations are equally and ratably secured under a single indenture or loan agreement and are issued under a common financing arrangement (for example, under the same official statement periodically updated to reflect changing factual circumstances). Also, for obligations issued under a draw-down loan that meet the requirements of the preceding sentence, obligations issued during different calendar years may be treated as part of the same issue if all of the amounts to be advanced under the draw-down loan are reasonably expected to be advanced within 3 years of the date of issue of the first obligation. Likewise, obligations (other than private activity bonds) issued under a single agreement that is in the form of a lease or installment sale may be treated as part of the same issue if all of the property covered by that agreement is reasonably expected to be delivered within 3 years of the date of issue of the first obligation.

**Arbitrage rebate.** Generally, interest on a state or local bond is not tax-exempt unless the issuer of the bond rebates to the United States arbitrage profits earned from investing proceeds of the bond in higher yielding nonpurpose investments. See section 148(f).

**Construction issue.** This is an issue of tax-exempt bonds that meets both of the following conditions:

1. At least 75% of the available construction proceeds are to be used for construction expenditures with respect to property to be owned by a governmental unit or a section 501(c)(3) organization, and
2. All the bonds that are part of the issue are qualified 501(c)(3) bonds, bonds that are not private activity bonds, or private activity bonds issued to finance property to be owned by a governmental unit or a section 501(c)(3) organization.

In lieu of rebating any arbitrage that may be owed to the United States, the issuer of a construction issue may make

an irrevocable election to pay a penalty. The penalty is equal to 1<sup>1</sup>/<sub>2</sub>% of the amount of construction proceeds that do not meet certain spending requirements. See section 148(f)(4)(C) and the Instructions for Form 8038-T.

**Pooled financing issue.** This is an issue of tax-exempt bonds, the proceeds of which are to be used to finance purpose investments representing conduit loans to two or more conduit borrowers, unless those conduit loans are to be used to finance a single capital project.

## Specific Instructions

### Part I—Reporting Authority

**Amended return.** An issuer may file an amended return to change or add to the information reported on a previously filed return for the same date of issue. If you are filing to correct errors or change a previously filed return, check the *Amended Return* box in the heading of the form.

The amended return must provide all the information reported on the original return, in addition to the new or corrected information. Attach an explanation of the reason for the amended return and write across the top, “Amended Return Explanation.” Failure to attach an explanation may result in a delay in processing the form.

**Line 1.** The issuer's name is the name of the entity issuing the obligations, not the name of the entity receiving the benefit of the financing. For a lease or installment sale, the issuer is the lessee or the purchaser.

**Line 2.** An issuer that does not have an employer identification number (EIN) should apply for one on Form SS-4, Application for Employer Identification Number. You can get this form on the IRS website at IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676). You may receive an EIN by telephone by following the instructions for Form SS-4.

**Line 3a.** If the issuer wishes to authorize a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) to communicate with the IRS and whom the IRS may contact about this return (including in writing or by telephone), enter the name of such person here. The person listed in line 3a must be an individual. Do not enter the name and title of an officer or other employee of the issuer here (use line 10a for that purpose).

**Note.** By authorizing a person other than an authorized officer or other employee of the issuer to communicate with the IRS and whom the IRS may contact about this return, the issuer authorizes the IRS to

communicate directly with the individual entered on line 3a and consents to disclose the issuer's return information to that individual, as necessary, to process this return.

**Lines 4 and 6.** If you listed an individual on line 3a to communicate with the IRS and whom the IRS may contact about this return, enter the number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code of that person. Otherwise, enter the issuer's number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code.

**Note.** The address entered on lines 4 and 6 is the address the IRS will use for all written communications regarding the processing of this return, including any notices.

**Line 5.** This line is for IRS use only. Do not make any entries in this box.

**Line 7.** The date of issue is generally the date on which the issuer physically exchanges the bonds that are part of the issue for the underwriter's (or other purchaser's) funds. For a lease or installment sale, enter the date interest starts to accrue in an MM/DD/YYYY format.

**Line 8.** If there is no name of the issue, please provide other identification of the issue.

**Line 9.** Enter the CUSIP (Committee on Uniform Securities Identification Procedures) number of the bond with the latest maturity. If the issue does not have a CUSIP number, write “None.”

**Line 10a.** Enter the name and title of the officer or other employee of the issuer whom the IRS may call for more information. If the issuer wishes to designate a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) whom the IRS may call for more information about the return, enter the name, title, and telephone number of such person on lines 3a and 3b.

*Complete lines 10a and 10b even if you complete lines 3a and 3b.*

### Part II—Type of Issue

*Elections referred to in Part II are made on the original bond documents, not on this form.*

Identify the type of obligations issued by entering the corresponding issue price (see *Issue price* under *Definitions* earlier). Attach a schedule listing names and EINs of organizations that are to use proceeds of these obligations, if different from those

of the issuer, include a brief summary of the use and indicate whether or not such user is a governmental or nongovernmental entity.

**Line 18.** Enter a description of the issue in the space provided.

**Line 19.** If the obligations are short-term tax anticipation notes or warrants (TANs) or short-term revenue anticipation notes or warrants (RANs), check box 19a. If the obligations are short-term bond anticipation notes (BANs), issued with the expectation that they will be refunded with the proceeds of long-term bonds at some future date, check box 19b. Do not check both boxes.

**Line 20.** Check this box if property other than cash is exchanged for the obligation, for example, acquiring a police car, a fire truck, or telephone equipment through a series of monthly payments. (This type of obligation is sometimes referred to as a "municipal lease.") Also check this box if real property is directly acquired in exchange for an obligation to make periodic payments of interest and principal. **Do not** check this box if the proceeds of the obligation are received in the form of cash, even if the term "lease" is used in the title of the issue.

### Part III—Description of Obligations

**Line 21.** For column (a), the final maturity date is the last date the issuer must redeem the entire issue.

For column (b), see *Issue price* under *Definitions* earlier.

For column (c), the stated redemption price at maturity of the entire issue is the sum of the stated redemption prices at maturity of each bond issued as part of the issue. For a lease or installment sale, write "N/A" in column (c).

For column (d), the weighted average maturity is the sum of the products of the issue price of each maturity and the number of years to maturity (determined separately for each maturity and by taking into account mandatory redemptions), divided by the issue price of the entire issue (from line 21, column (b)). For a lease or installment sale, enter instead the total number of years the lease or installment sale will be outstanding.

For column (e), the yield, as defined in section 148(h), is the discount rate that, when used to compute the present value of all payments of principal and interest to be paid on the obligation, produces an amount equal to the purchase price, including accrued interest. See Regulations section 1.148-4 for specific rules to compute the yield on an issue. If the issue is a variable rate issue, write "VR" as the yield of the issue. For other

than variable rate issues, carry the yield out to four decimal places (for example, 5.3125%). If the issue is a lease or installment sale, enter the effective rate of interest being paid.

### Part IV—Uses of Proceeds of Bond Issue

For a lease or installment sale, write "N/A" in the space to the right of the title for Part IV.

**Line 22.** Enter the amount of proceeds that will be used to pay interest from the date the bonds are dated to the date of issue.

**Line 24.** Enter the amount of the proceeds that will be used to pay bond issuance costs, including fees for trustees and bond counsel. If no bond proceeds will be used to pay bond issuance costs, enter zero. Do not leave this line blank.

**Line 25.** Enter the amount of the proceeds that will be used to pay fees for credit enhancement that are taken into account in determining the yield on the issue for purposes of section 148(h) (for example, bond insurance premiums and certain fees for letters of credit).

**Line 26.** Enter the amount of proceeds that will be allocated to such a fund.

**Line 27.** Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any other issue of bonds within 90 days of the date of issue.

**Line 28.** Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any other issue of bonds after 90 days of the date of issue, including proceeds that will be used to fund an escrow account for this purpose.

### Part V—Description of Refunded Bonds

Complete this part only if the bonds are to be used to refund a prior issue of tax-exempt bonds. For a lease or installment sale, write "N/A" in the space to the right of the title for Part V.

**Lines 31 and 32.** The remaining weighted average maturity is determined without regard to the refunding. The weighted average maturity is determined in the same manner as on line 21, column (d).

**Line 34.** If more than a single issue of bonds will be refunded, enter the date of issue of each issue. Enter the date in an MM/DD/YYYY format.

### Part VI—Miscellaneous

**Line 35.** An allocation of volume cap is required if the nonqualified amount for the issue is more than \$15 million but is not

more than the amount that would cause the issue to be private activity bonds.

**Line 36.** If any portion of the gross proceeds of the issue is or will be invested in a guaranteed investment contract (GIC), as defined in Regulations section 1.148-1(b), enter the amount of the gross proceeds so invested, as well as the final maturity date of the GIC and the name of the provider of such contract.

**Line 37.** If the issue is a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*), enter the amount of the proceeds used to make loans to other governmental units, the interest on which is tax-exempt.

**Line 38.** If the issue is a loan of proceeds from a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*), check the box and where asked for the date of issue, EIN, and name of the issuer of the master pool obligation, enter the date of issue, EIN, and name of the issuer of the pooled financing issue.

**Line 40.** Check this box if the issue is a construction issue and an irrevocable election to pay a penalty in lieu of arbitrage rebate has been made on or before the date the bonds were issued. The penalty is payable with a Form 8038-T for each 6-month period after the date the bonds are issued. Do not make any payment of penalty in lieu of arbitrage rebate with this form. See Rev. Proc. 92-22, 1992-1 C.B. 736 for rules regarding the "election document."

**Line 41a.** Check this box if the issuer has identified a hedge on its books and records according to Regulations sections 1.148-4(h)(2)(viii) and 1.148-4(h)(5) that permit an issuer of tax-exempt bonds to identify a hedge for it to be included in yield calculations for computing arbitrage.

**Line 42.** In determining if the issuer has super-integrated a hedge, apply the rules of Regulations section 1.148-4(h)(4). If the hedge is super-integrated, check the box.

**Line 43.** If the issuer takes a "deliberate action" after the issue date that causes the conditions of the private business tests or the private loan financing test to be met, then such issue is also an issue of private activity bonds. Regulations section 1.141-2(d)(3) defines a deliberate action as any action taken by the issuer that is within its control regardless of whether there is intent to violate such tests. Regulations section 1.141-12 explains the conditions to taking remedial action that prevent an action that causes an issue to meet the private business tests or private loan financing test from being treated as a deliberate action. Check the box if the issuer has established written procedures to ensure timely remedial action for all nonqualified bonds according to

Regulations section 1.141-12 or other remedial actions authorized by the Commissioner under Regulations section 1.141-12(h).

**Line 44.** Check the box if the issuer has established written procedures to monitor compliance with the arbitrage, yield restriction, and rebate requirements of section 148.

**Line 45a.** Check the box if some part of the proceeds was used to reimburse expenditures. Figure and then enter the amount of proceeds that are used to reimburse the issuer for amounts paid for a qualified purpose prior to the issuance of the bonds. See Regulations section 1.150-2.

**Line 45b.** An issuer must adopt an official intent to reimburse itself for preissuance expenditures within 60 days after payment of the original expenditure unless excepted by Regulations section 1.150-2(f). Enter the date the official intent was adopted. See Regulations section 1.150-2(e) for more information about official intent.
