

THIS FORM NEEDS TO BE COMPLETED ONLY IF YOU ARE REQUESTING TRANSPORTATION TO/FROM A DAYCARE FACILITY

The Plum Borough School District can provide transportation service for daycare requests as long as these requests are for a daycare facility within the attendance zone of the particular school in question. These requests depend upon the availability of bus service, bus load limits, and time constraints. Requests are handled on an individual basis with coordination from the daycare facility.

All requests are due in the Transportation Office prior to AUGUST 1st of the school year.

Requests are for EVERYDAY service ONLY and for the ENTIRE school year.
