Dear Ryan,

You will be receiving a total of 371 complimentary books (A Coal Miner's son and his Dream). I would appreciate it if your able to deliver 2 of the books to the Nisbet garage located only a short distance from the school, once called Metro's corner, Tell them to refer to pages 36 and 37, reason for the free books.

YOU WILL than have the 354 books for the the Senior class plus an additional 15 more for the Alumni or a total of 369 books.

Please sign and date the enclosed slip and send it to me as soon as you receive the books.

Although I don't require it, but I would sure appreciate it if the shipping cost of ~~\$24.94~~ dollars could be refunded. If it can't, it's OK regardless.

I may have more complimentary books for your Alumni in the future if your need of them. It depends on the number I will sell here in Calif. the next few months.

Any questions-call me or leave message.

Address:- 119 Chambers St.
