Hi Mr. Marraccini,

The donor indicated that the address and name on the letter should read:

4th River Aquaponics LLC  
2580 Smallman St.  
Pittsburgh, PA 15222

He also mentioned that for reasons unknown (even the post office has yet to figure it out), he has never received any mail at the business address (which the USPS provided to him). If you could send the letter to me via interoffice mail, I will make the trip and deliver it personally.

I appreciate this very much
