Enclosed please find information on a great savings opportunity for your home electric bill. Through the efforts of the Allegheny Intermediate Unit Western Pennsylvania Electric Consortium, FirstEnergy Solutions has extended an exclusive residential 'Friends and Family' pricing program to Allegheny Intermediate Unit employees and friends and family of AIU employees.

As a former AIU employee, you and your friends and family are eligible to participate in the program.

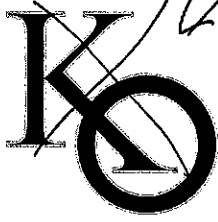

The pricing is a fixed guaranteed rate and is not available to the general public.

Some items to consider as you review the information:

- If you have not already selected an electric supplier for your home you should enroll in this program. You will save money.
- If you have already selected FirstEnergy as your electric supplier you should still enroll in this program. FirstEnergy will transfer you to the lower rate.
- If FirstEnergy's Friends and Family rate goes down over the course of this agreement, it will be reflected on the AIU web site. FirstEnergy will adjust your rate to the lower rate, but you must contact them.
- If you have already selected another electric supplier, please read your agreement before you enroll. You may be subject to a cancellation fee or other termination fee.

If you have any questions please contact Tom Galluze at 412-394-5799 Thomas.Galluze@aiu3.net or Elaine Vivaldi at 412-394-5780 Elaine.Vivaldi@aiu3.net
