Agenda Items:

1. Borough ordinance forgiving real estate taxes for active military
 - a. The Borough's solicitor said the enabling legislation would not permit the Borough or District to forgive real estate taxes for our active military.
2. PHS fire lane
 - a. A meeting between the Borough and District Administration is scheduled for May 14th to discuss a parking ordinance creation and installation options for eco-friendly parking using impervious coverage. The Borough and District will craft an ordinance for a targeted enforcement area in the rear of the building near the tennis court loop. High School Administration will develop a plan to notify students and staff about the new enforcement area.
3. Holiday and Regency Park on street parking concern
 - a. Updated school zone safety plan may be necessary. The discussion on an updated school safety zone around each school is an option may be discussed on May 14th. A traffic engineer from PA DOT may be involved in the process. The Borough will provide the District with copies of existing plans.
4. Water shut-offs, tap-in, and turn-ons
 - a. The Borough planning department will assist Dr. Stewman with the aggregation of necessary information to conduct his study. The Borough assisted Dr. Stewman in prior years with information.

Other Consideration:

1. Mr. Colella discussed ideas about curtailing speeding down Elicker and New Texas Roads shortly after the school day. The Borough will speak with Chief Monaco and look into options; ie. ticketing, targeted enforcement, police presence, and mobile stations.
2. The Borough switched its employees to an HSA and saved \$300,000. Mr. Dell and Mr. Dowdell brought this information to the Board as a cost savings measure for the District to consider. The Borough will share HSA plan information with District.
