Hello Mr. Marraccini,

I was interested in creating an activity account for the Plum Track and Field Team. We would use the funds raised for the purchase of metals and shirts for our Junior High Invitationals, Pizza Parties, and Equipment that is not covered under the PBSB Budgetary Process. Ex. IPADS for improving and dissecting athletic movements, Sport Brellas for meets, Water and Gatorade for meets, invitationals, etc. Thank you for your consideration.

Sincerely,

Nick Oto
