

The Elementary Principals met and discussed Open House for fall of 2018. With the reconfiguration, they feel it is necessary to revise the current plan for Open House nights in the 2018-2019 calendar.

In the past, they have had a separate night for Elementary, OBlock, and the High School. This allowed parents to attend (within the 2 hour window) the school for their child without the need to be in a different building at the same time. Now with K-4 and 5-6 buildings, we need to have TWO nights for elementary. One for K-4 and one for 5-6. This will give the opportunity for parents of multiple elementary children an opportunity to attend each night without conflict.

We suggest this schedule change to the Board approved calendar:

Tuesday, Sept. 4th K-4 Open House @ Center and Pivik

Thursday, Sept. 6th 5-6 Open House @ HP

Tuesday, Sept. 11th 7-8 Open House @ OBlock

Thursday, Sept. 13th 9-12 Open House @ PHS

Times for all will be from 6:00 - 8:00
