Re: Student Development Account

I would like to open an account with the Plum Activity Fund for the Senior High School for Student Development. The purpose of this account would be to purchase developmental tools for students, cover fees for student conference participation, and to provide and facilitate rewards for distinguished student achievement. This account would also be used as a holding place for monetary scholarships to be presented to seniors at Senior Awards Night.

If you need any additional information, please feel free to contact me at ext. 6316 or through email at feketyr@pbsd.k12.pa.us.

Thank you.
