

PBSD TV/SOUND

March 2018

PVN Productions would be available to provide the TV & Audio production of monthly school board meetings. Our company is a professional Broadcast Television company providing live and post productions for clients throughout the Mid-Atlantic region.

WHAT WE WILL PROVIDE:

- * Professional coverage using 3 CAMERA angles.
- * Professional graphic overlays identifying the speaker when appropriate.
- * Most importantly, running the Sound to ensure the AUDIO is clear and broadcast quality.

We are currently under contract with Plum Boro to manage the Boro TV station and use the same Leightronix Nexus system as the School District. We would also air the School Board meetings LIVE on Boro TV, Comcast channel 19/Verizon 29.

Professional TV coverage & Audio engineering-----\$500 Per Meeting.
