January 2012 Holiday Park Elementary Building Highlights:

As Holiday Park Elementary School continues to “Achieve, Learn, and Succeed”, listed below is a snapshot of our school accomplishments through January:

- Teachers have analyzed and planned instructional methods for all students in the areas of literacy and math. Data collected on a daily basis, as well as Winter literacy benchmarks, will help to guide our students in the direction of achievement in these areas.
- Holiday Park Elementary School students, staff, and community help to raise over \$2600 for the districts Make-A-Wish campaign efforts. A special thank you to all who made this possible!
- Holiday Park’s student government is busy planning and establishing several fun activities including a crazy sock and team spirit day. Not only are these days fun, but students donate \$1 dollar to the student activity fund to benefit themselves and future happenings at Holiday Park Elementary School.
- Our school is excited to implement the new technology policy pertaining to “Bring your own devices” and the positive impact on student learning. Both students and parents will receive information on this exciting new policy. Holiday Park Elementary is achieving, learning, and succeeding with technology implementation within the classroom.
