

March 21, 2016

I would like to have an activity account opened under the Secondary Life Skills Classroom. We will raise money in a several of ways including but not limited to: luncheons for staff, candy bars, hoagies, car washes, t-shirts etc. They money that is fundraised will be used for students to pay for small fees to go on the field trips, sensory items, educational magazines, educational materials and/or Special Olympics uniforms etc.

Thank you,  
Gina Sciulli
