## 2015 Special Education Leadership Summer Academy Beyond Legislation: From Regulations to Practice

The Special Education Leadership Summer Academy is designed to increase the knowledge and skills that are vital for special education leaders. The role of a special education leader requires establishing and maintaining a balance between managing compliance and leading improvement. This Academy provides sessions to address both of those areas.

The Summer Academy provides the opportunity for networking with and learning from others whose responsibilities focus on special education leadership. Connections made at the academy provide support throughout the year.

### Objectives

The focus of the Leadership Initiative is to increase the knowledge and skills that are vital for special education leaders. Participants who attend the Leadership Summer Academy will:

Develop a deeper understanding of regulatory and compliance procedures to follow for special education services and programs.

Get answers to questions surrounding issues such as: specific learning disability determination, assistive technology (AT), traumatic brain injury (TBI), identification and interventions for students struggling with literacy, engaging families, and effective conflict resolution. Understand how to avoid mistakes that lead to due process.

Learn strategies to effectively manage their workscope.

### Target Audience

New and aspiring special education leaders, veteran special education leaders and anyone responsible for providing leadership to those who work with students with disabilities

Individuals attending this course must arrive on time and stay the duration of the course in order to receive Act 48 Professional Education hours. Requests for exceptions are to be brought to the attention of the individual's Superintendent or IU Director prior to the course.
