Donna,

*Please find enclosed application for use of facilities for the upcoming winter. Sorry this did not get to you sooner, but it was returned from the Post Office in one of their envelopes (caught in a machine and ripped) with an apology for the inconvenience. I have resent it.*

*We would appreciate any available gym space for the winter. Keep in mind that Plum Area Soccer continues to step up it's support for the School Districts programs, being a long time supplier of fields for the Junior High's soccer teams, and now with the High School teams. We feel that this will only increase in the future and are ready to help.*

*While I understand your situation with other entities request to use facilities, a growing number of our members question me as to why our help grows every year for the School District, while our access to facilities diminish little by little. So please help if you can. And thanks for all you have done.*

*Respectfully,*

*Fred Lucas  
President, Plum Area Soccer*
