## Other Information

- a) No minimum purchase required.
- b) Costs vary based on vendor licensing, agreements, and option availability with Waterfront Learning.
- c) Some courses may require additional material fees; costs shown do not include textbooks, additional software, or testing fees.
- d) **Free Trial** – A free, 13 calendar day free trial is available at the time of initial enrollment; however, a \$50 hardware service charge will be assessed for equipment delivery & return for students withdrawing during the free trial period. The opportunity for a free trial period applies only to coursework, not the technology package.
- e) **Tuition Charges** – Tuition is charged as indicated above based on the courses and services requested. If the participation period exceeds the defined length of enrollment, additional tuition will be assessed.
- f) **Extension Fees** – In the event that an extension is desired for a student, notification, in writing, must be provided to the program prior to the last week of scheduled enrollment. If notification is received within the last week of the course, a \$50 processing fee will be assessed.
- g) **Student Support Services** – It is expected that the district will monitor and support any identified online learner (special education or ELL). Should the district indicate that assistance from the program is desired for support services, data collection, goal monitoring, or ELL instruction, additional charges would apply.
  - a. **Special Education Fees for Service:**
    - i. Full-Time Students: \$1,000/semester
    - ii. Single Course Students: \$225/semester
  - b. **ELL Fees for Service:**
    - i. \$2,100 / semester (cost includes weekly live support and instruction, materials, supervision, data analysis and communication)
- h) **Single Section Enrollment** – Students will not be permitted to enroll in two sections of the same course at the same time (example: Algebra Q1 and Algebra Q2). Students **MUST** finish one section of a course before beginning another.
- i) **Internet Access Reimbursement** – The program will utilize Internet reimbursement at a rate of \$35/month as the default for all full-time students requesting equipment. Should a MiFi device be requested and approved, the use will be monitored. Any device not showing use for two consecutive billing cycles will be deactivated.
- j) **Curriculum Modifications** – Student specific activity customizations are included in tuition charges. Curriculum alignment and modification resulting in more than 25% of curriculum modification or removal is subject to a \$50 course customization fee. Should assistance with district-wide curriculum alignment and modification be needed, charges of \$850 (full-day) and \$425 (half-day) would apply.
- k) **Hardware Replacement Fees** – In the event that program provided hardware is not returned within 30 days of withdrawal from the program, the district will be assessed equipment replacement fees for missing or irreparable equipment at the rates shown below:
