This web page displays the details of a selected program. It gives an overall status of payments already made for the selected state fiscal year. Different state fiscal years may be selected for up to ten years of history.

What is the function of this web page?

The project status page lists overview information about the various federal grants and subsidy reimbursement projects. Only one state fiscal year of information is displayed. To view historical information, change the state fiscal year and click the "Search" button. Information on this page is broken into three different groupings. Depending on the type of payments you receive from the department, all or some of the groups will be displayed.

Click here for [Quarterly Report submission instructions](#).

Grants

This table lists state and federal grant projects that either start, end, or receive payments in selected state fiscal year. Clicking on the project code will bring up a project status page with more detail about the grant project. Clicking on the **Quarterly Report** link available on each row in the table will allow the entry of a quarterly report for the selected project.

LEA Payments by Subsidy Type

This table lists different PDE program areas that have made payments to you during the selected state fiscal year. Clicking on the various program area codes will bring up more detail.

Claims / State Library

This table lists different PDE program areas that are specific to Nutrition or State Library payments. Clicking on the program area code will bring up more detail.
