Dr. Fran Sciuillo is the Principal of Holiday Park Elementary School. He is also the former Junior High Football and Varsity Track Coach. He's been involved with many extra-curricular activities for both his building and the Plum Borough School District. Fran has served the District for 19 years.

Principal Sciuillo has played an active role in the development of our students. He has worked hard to install the life tools students need to be successful as well. Fran finds it to be rewarding to witness how our students become contributors to society.

Advice: *Set goals, be open to change, be honest, celebrate success, learn from mistakes, and most importantly, be yourself.*"

Cool Fact: He is one of eight brothers and sisters!

Principal Sciuillo's family is the center of his universe and purpose behind everything he does. As is the case with establishing a positive and supportive learning environment, a "family" philosophy is at the core of sustaining these efforts and he believes it starts at home.

One Last Thing: Dr. Sciuillo has been a professional member of the Plum Borough School District, seeing it as a privilege to serve and work for our wonderful families. He looks forward to our continued work together to exceptionally prepare each student to be contributors within our school and community.
