

# WHO WE ARE

## #PLUMFAMILY

Mr. Ashley Boyers is the Principal of Oblock Junior High School. This is his first year within the Plum Borough School District.

According to Mr. Boyers, each day he has the potential to make a difference in the lives of our students and staff. He doesn't consider what he does a job. Leadership and education are a passion of his. He loves working with people and helping others to think differently, problem-solve, and be the best versions of themselves. It is a huge task and Ashley is honored to be able to do it daily.

Principal Boyers' advice for students, *"One's attitude can make or break you. It is important to approach all facets of life with the right attitude and mindset. Possessing the right attitude will*

*assist one in being persistent, resilient, and overcoming adversity when it rears its head. We cannot control everything that comes our way, but we can always control our attitude. Dabo Swinney, Clemson University's Head Football Coach, said it best, 'The only disability in life is a bad attitude.'"*

**One Last Thing:** Mr. Boyers is proud to serve the Plum Borough School District and Oblock Junior High School. In his short time here, he has had many positive interactions with students, staff, and parents. He looks forward to positive things to come from our District!
