

# WHO WE ARE

*Daniel Lauletta*

[@DanielLauletta](#)

## #PLUMFAMILY

Mr. Daniel Lauletta, Director of Educational Technology and Innovation for the Plum Borough School District, is in his first year in the district.

Daniel's most favorite part of his job is providing students and teachers with resources and tools to enhance learning. He is passionate about helping people, especially in education so that they can be successful after they leave the K-12 space.

The advice he would give to students and/or colleagues: *"The only way to do great work is to love what you do. If you haven't found it yet, keep looking. Don't settle. As with all matters of the heart, you'll know when you find it."* - Steve Jobs

Mr. Lauletta's stepfather inspires him most. He has gone through a lot of challenges and struggles and no matter what has always come out on the other side by working hard and believing in himself.

**Cool Fact:** Along with his passion for educational technology, he loves Ford Mustangs and the gym!

Daniel looks forward to being a part of a family whose focus is to provide students with the best education as possible. He is passionate about what he does and excited to have the opportunity to do it where he lives.
