Mr. John Zahorchak is the Chief Financial Officer for the Plum Borough School District. This is his second year with the District.

His favorite part of the job is building out financial structures that forecast the future based on current financial decisions and showing the impact of those scenarios.

Mr. Zahorchak's advice for colleagues, *"Work hard, try to maximize your efficiency and output everyday. View your workplace as if you were the owner and make decisions that are best for the operation as a whole."*

**Cool Fact:** He once won a Texas hold 'em tournament at a non-profit fundraiser beating over 300 people. It was the first time he ever played!

John's uncle inspires him. His uncle grew up in poverty, but managed to achieve great things in his life. He taught John the value of grit, to outwork other people, and to always be grateful by giving back to the community.

**One Last Thing:** School business is a field that Mr. Zahorchak always promotes. Despite challenges to public schools, he believes it is rewarding to know that the work you do is for the betterment of students.
